This fall, enjoy a drive to Gananoque to visit **The Thousand Islands**. We will first enjoy a one hour **Beauty of the Island Cruise**. The First Nations People knew this beautiful collection of islands as Manitoana or the "Garden of the Great Spirit". See fifth and sixth generation family cottages. Cruise the narrow channels of the Admiralty and Navy group of islands. We will then enjoy lunch at the Island Memories Restaurant. After lunch, we will attend a matinee show of "The Birds and the Bees", a romantic comedy with a bit of buzz. We will be stopping at an On-Route for a dinner break on the return trip, cost will be at travelers expense.
